Teacher of Primary School Inclusive Education".

The certification is carried out openly and publicly.

System of internal quality assurance of higher education

A system of providing quality education and quality of higher education (system of internal quality assurance) by higher educational institution operates at Rivne State University of Humanities, which involves implementation for the following procedures and measures:

- 1) definition of principles and procedures for ensuring the quality of higher education;
- 2) monitoring and periodic review of educational programs;
- 3) the annual evaluation of higher education graduates, scientific and pedagogical, pedagogical staff of the higher educational institution, and the regular publication of such evaluations results on the official website of the higher educational institution, on information stands and in any other way;
- 4) ensuring the professional development of pedagogical, scientific and scientific and pedagogical workers;
- 5) ensuring the availability of the necessary resources for the organization of the educational process, including the independent work of students, for each educational program;
- 6) ensuring the availability of information systems for the effective management of the educational process;
- 7) ensuring publicity of information about educational programs, degrees of higher education and qualifications;
- 8) ensuring the academic integrity of the higher education institutions and students of higher education, including the creation and maintenance of an effective system of prevention and detection of academic plagiarism;
- 9) other procedures and measures.

The system of providing quality education and quality of higher education (the system of internal quality assurance) by higher educational institution may be assessed by the National Agency for the Quality Assurance of Higher Education or independent institutions accredited by it, for the assessment and quality assurance of higher education on the subject of its compliance with the requirements Higher Education Quality Assurance Systems, upon submission by Rivne State University of Humanities, approved by the National Agency for the Quality Assurance of Higher Education, and the MES international standards and recommendations for the quality assurance of higher education.
